

# After Hours at Horizon Schools

## After School Program

The After School program at Horizon High School serves **children ages 3-21** (participants do not need to be enrolled in Horizon High School). We focus on helping students complete any school assignments and also offer age appropriate opportunities for socializing and learning, including:

- **Computer Lab:** Students will use the school's new computer center, with 12 workstations, touch-screen monitors and fully accessible desks as well as cutting-edge educational software.
- **Interactive Technology:** Staff may use a variety of educational technology, including smart boards and iPads.
- **Recreation:** We offer an adapted gym and an inventory of accessible physical education equipment that allow students to play an endless array of games.
- **We also offer a spring, summer and winter camp.**

For further details contact **Chris Lynch (973) 535-1999 ext 3101**

## Therapy Services

We are happy to contract with families and school districts to develop a tailored program for physical, speech, occupational and aquatic therapy during after school/after work hours. You will be able to access our state-of-the-art facilities and equipment, which include:

### Aquatic Therapy Pools (at two sites)

- **One of the premiere Sensory Integration Rooms in the region**
- **Low-Vision Room specifically designed to serve students who are visually impaired**
- **Lite Gait trainer (at two sites)**

For further details contact: **Lori Hoffner (973) 763-9900 ext 1751**

Come join us at the Horizon Schools  
for therapy, learning, fun and much,  
much more...

Open to everyone!
